Sunday Ceiling Light

by

Sunday by Axolight is a ceiling lamp meticulously crafted to encapsulate the serene ambiance of a Sunday morning. Designed by the Axolight creative team, Sunday boasts a sleek form reminiscent of a frisbee, with a streamlined circular profile for ceiling installation. Adorned with refined color finishes, this 64.9 cm wide fixture stands at a mere 4.7 cm in height, ingeniously housing electronic components for remote light control within its compact frame. Crafted from metal, the lamp's body ensures durability, while its light emission cavity is covered with high-transmittance opaline PMMA, ensuring efficiency and visual comfort. Available in a range of finish options in 2700K or 3000K version.
