RO A/ANTARES/W2/DALI/3K/GRAPHITE

Antares Wall Washer

by

Antares is an aluminum wall lamp that provides direct lighting with an asymmetrical and diffused intensity, creating a uniform and harmonious ceiling illumination. Its minimalistic design renders it a versatile fit for diverse environments, augmenting the architectural features of illuminated spaces by adding depth and height. Antares surpasses its counterparts in terms of luminosity, and its light intensity can be easily adjusted through a PUSH or DALI system.
