Puppet Chandelier

by Romani Saccani Architetti Associati

Contemporary lighting system featuring up to 36 cable arms, each holding a mouth blown crystal sphere, with an overall structure suspended by a stainless steel cable affixed to the ceiling. Each arm can be adjusted based on personal preference, allowing the chandelier to be highly customizable in its appearance. Each glass diffuser features an irregular lined degrade finish, producing a soft cloudy pattern on surrounding surfaces. Available with clear, smoke, amber, or white pendants.
