Zoe 3 Light Pendant

by

The Zoe 3 Light Pendant by Cangini and Tucci combines three sizes of the tear drop inspired suspended light. The true magic of the Zoe is brought to life when the light is turned on. The hidden white diffuser illuminates within the pendant, surprising us with another dimension to the beautiful design. The 3 Light pendant is standard with a small, GIG and XXL size in a single finish, but can be configured with different sizes and finishes on request.
