String W1 Wall Lamp - White

by Dante Donegani and Giovanni Lauda

The String W1 Wall light is part of the String collection by Rotaliana. The adjustable head made with moulded plastic is easily handled and offers flexibility in positioning the direction of the light beam. The structure of the two arms is made of extruded aluminum. The movement is balanced by the elastic cable, sheathed in synthetic coloured fabric. The String also features a push sensitive dimmer that controls the light source. Includes silver, black and orange cables which are easily interchangeable for different looks.
