DT TUI/LARGE/AQUA

Tui Pendant

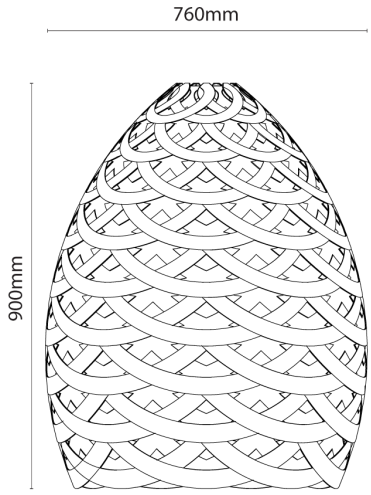

by David Trubridge

Tui by David Trubridge is named after the native Aotearoan bird which inspires it's design. Just like the intricate plumage found around the birds' neck, bamboo half-rings are woven into a basket form. Tui would sit perfectly over a dining table, kitchen counter or equally hanging in a stairwell or entrance. Available in the full range of Trubridge finishes in small, medium, and large size.
