

RO PT/STRING/F1/9W/SILVER

String F1 Floor Lamp

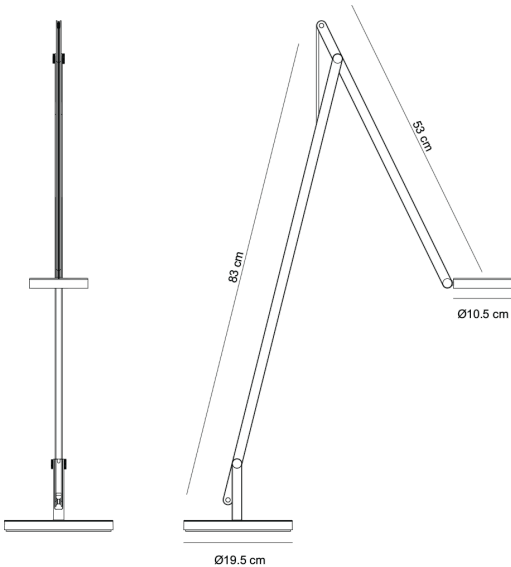

by Dante Donegani and Giovanni Lauda

The String Floor Lamp by Rotaliana features an aluminium structure, an adjustable head with central hole, a touch dimmer and a 100% flicker-free LED light source. Ideal for indirect lighting applications, this floor lamp provides the user with flexibility in a sleek contemporary design. Available in white, black, bronze, champagne, graphite or silver finish. Each floor lamp includes silver, black and orange cables which are easily interchangeable for different looks.
