

VI A/PLOTFRAME/1/WHITE/BLACK

Plot Frame Wall Light

by Chiaramonte & Marin

The designing principal of Plot Frame Wall Light was to render a sphere of light in suspended motion. An almost hovering luminescent sphere is supported by a metallic weft, creating an exquisite and unique form. The metal cap of the lamp body acts as a heat sink for the in-built LED source and is fixed to the glass by means of a pressure system achieved by the perfect adhesion between the edge of the glass and the cap itself. Available with matt black metal finish and white blown glass diffuser. Hand made in Italy by Vistosi.

Designer	Chiaramonte & Marin
Supplier	Vistosi
Country	Italy
SKU	VI A/PLOTFRAME/1/WHITE/BLACK
Size	1 Light

Product Dimensions

Weight	5kg
Colour Temp	3000K
Dimming	Phase

Materials	Blown glass diffusers, metal frame
Output	1750lm

Source	12.5W LED
IP Rating	IP20
