

Kwic Wall & Ceiling Light

by Serge & Robert Cornelissen

Kwic, designed by Serge and Robert Cornelissen, is a contemporary light fitting suitable for installation on ceiling or wall surfaces. A semi-spherical blown glass diffuser contains an integrated LED light source and overlaps - in a decentralized position - with a circular painted aluminium disk. Kwic imbues a space with a powerful light which radiates from the opaline white diffuser, and a delicate glow that filters through the back of the frame. Depending on the location, Kwic can be a discreet presence or a point of focus in a room. Available in a variety of sizes and finishes.

Designer	Serge & Robert Cornelissen
Supplier	Axo Light
Country	Italy
SKU	AX PL/KWIC/36/BLACK
Finish	Black
Size	36

Product Dimensions

Weight	2.8kg
Colour Temp	3000K
IP Rating	IP20

Materials	Aluminium
Output	2151lm
Dimming	1-10v

Source	18W LED
CRI	90
