

Murano Pendant

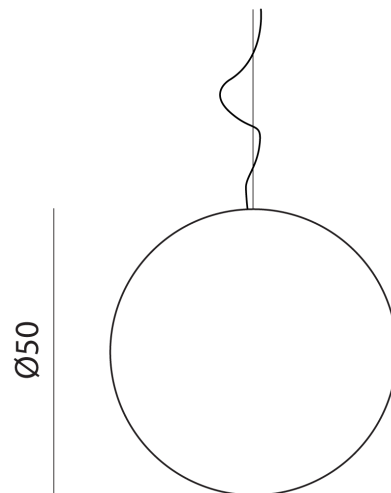

by Slide Studio

Murano is a hanging lamp inspired the ancient tradition of glass making. With a special blend of SAN (styrene-acrylonitrile resin), Murano has the iridescence of glass thanks to a hand flaming process at the end of production. Warm light radiates uniformly through the transparent material. Available in three size options.

Designer	Slide Studio
Supplier	SLIDE srl
Country	Italy
SKU	SLD S/MURANO/50
Size	50cm

Product Dimensions

Weight	3.5kg
IP Rating	IP20

Materials	Styrene-acrylonitrile resin
Dimming	Dependent on globe

Source	1 x E27 25W (Max)
