

DT SUNFLOWER/SMALL/BLACK

## Sunflower Wall Shade

by David Trubridge

Sunflower is a wall light shade that can be mounted over an existing wall sconce. It is a sculptural geometric form based on David's inspection and love of the patterns found in nature. The first kitset wall shade from David Trubridge, Sunflower is a simple and easy way to freshen up existing interiors as well as a sculptural lighting installation. Made from environmentally sustainable bamboo.
