

RO A/BELV/W2/WH/DIM

Belveder Wall Light

by Dante Donegani and Giovanni Lauda

The Belvedere Wall Light by Dante Donegani for Rotaliana provides indirect LED light in a minimalist form. It emits a soft, even glow which illuminates in both upward and downward directions. Belvedere comes in two sizes in matt white finish, with the larger size having a higher LED output and available in dimmable (PHASE) or non-dimmable version.
