

VI LT/MUNEGA/P

Munega Lamp

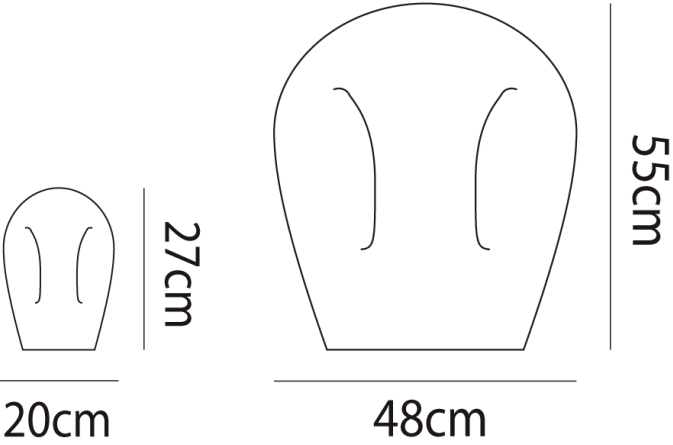

by Luciano Vistosi

The Munega collection of lamps are a sculptural mouth-blown Murano glass light designed by Luciano Vistosi in 1978. Visually stunning, Munega is created with a technique called "freehand" where the glass is continually worked by two craftsmen in order to perfect each piece.

Designer	Luciano Vistosi
Supplier	Vistosi
Country	Italy
SKU	VI LT/MUNEGA/P
Size	Small

Product Dimensions

Weight	3kg
IP Rating	IP20

Materials	Blown Glass
-----------	-------------

Source	1 x E14 60W (Max)
