VI S/PLOT/CRYSTAL/BRASS

Plot Pendant

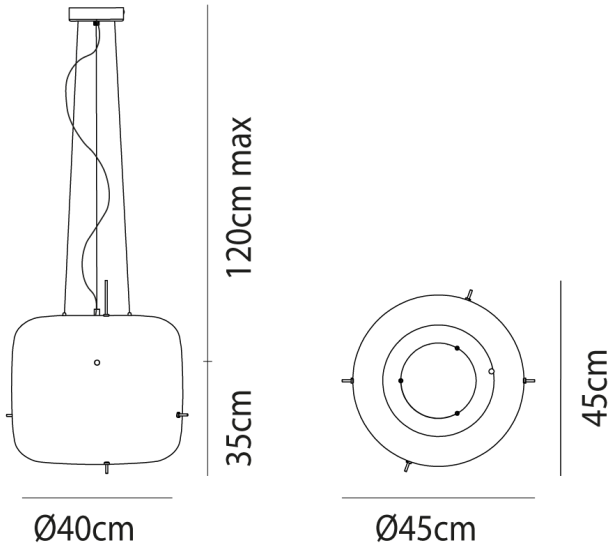

by Chiaramonte & Marin

Inspired by the weaving of oriental bamboo scaffolding, Plot creates a feeling of weightlessness. Encased within a transparent blown glass diffuser, an internal LED light source is supported by interweaving of metal rods, evoking a look of suspended animation. Plot is available with a crystal or smoke external diffuser with brass or black internal support rods. Hand made in Italy by Vistosi.
