Lacrima Single Pendant

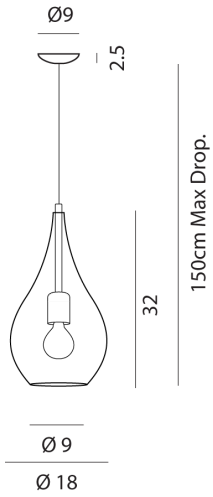

by

The Lacrima Pendant by Cangini & Tucci is named after the Italian word for tear, from where it gets its shape. Made from hand blown glass, this suspension light is ideal for single or cluster formations, particularly when a variety of options are combined in a cluster. Lacrima is available with a smooth or striped finish for added texture, as well as a variety of colour options, and small, regular, and large sizes.

Supplier	Cangini & Tucci
Country	Italy
SKU	CT S/LACRIMA/SM
Finish	Smoke
Surface	Smooth
Size	Small
