

GG A/AQUA/XL/CH

Aqua XL Bathroom Wall light

by

The Aqua XL LED Wall Light is part of the Architectural technical and sustainable collection from Light Industry. A larger version of the Aqua LED Wall Light. The fitting is an 11W 3000k LED tubular wall light with an IP44 rating. Made with frosted white glass with chrome base. It's simple design and IP rating makes it ideal for contemporary bathroom lighting applications.
