Eden Floor Lamp

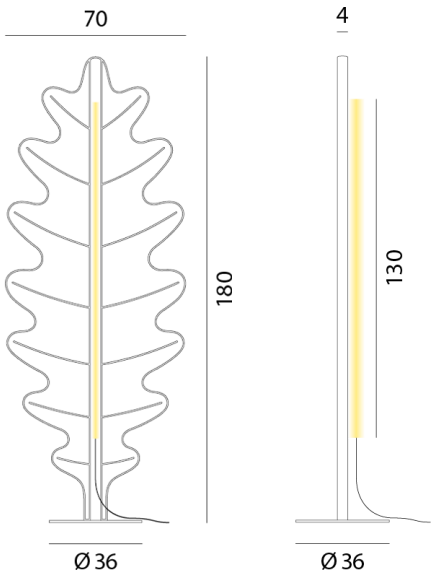

by Dante Donegani and Giovanni Lauda

Eden is a family of floor lamps by Rotaliana of three large sound-absorbent leaves to which an LED light is magnetically attached. Thanks to their soft padding and special fabric lining, the leaves not only illuminate with indirect light but also help to improve acoustics within a space. Eden's soft, comforting design styles well within modern spaces, adding unique natural accents to residential or commercial spaces. Equipped with a touch dimmer for easy illumination control. The Eden floor lamp is available in three styles and in a variety of finishes.
