

VI LT/RIFLESSO/3/AMETHYST/BRASS

Riflesso Table Lamp

by Chiaramonte & Marin

Born from the long partnership between Vistosi and Chiaramonte and Marin designers, Riflesso evokes soap bubbles and childhood memories. Made of mouth-blown glass, the LED source refracts and continuously rebounds within the shade, emitting glare free light in a space. Available in crystal or light amethyst glass with brass or copper base. Winner of a 2019 Archiproducts Design Award.
