Potence Pivotante Wall Lamp

by Charlotte Perriand

Potence Pivotante is an embossed wall lamp designed by Charlotte Perriand in 1938. Body made of aluminium and painted matt black. The lamp arm fixes to the wall with a rotation of 180 degrees on horizontal axis. Takes 1 x E27 G125 2700k LED globe (supplied), with the globe acting as diffuser. Also available in mini size version.

is diffuser
