

RO PT/SUNSET/F1/WH

Sunset F1 Floor Lamp

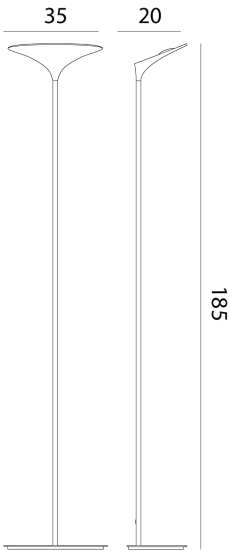

by Paolo Dell'Elce

Sunset is an indirect-lighting floor lamp with an LED source. The curved head of the lamp is designed to enhance the reflection of light onto the walls, while an integrated foot dimmer provides various stages of illumination. The simple yet effective curvature of the design and small footprint allows the fitting to work within a variety of modern spaces. Aluminium construction in matt white finish.

Designer	Paolo Dell'Elce
Supplier	Rotaliana
Country	Italy
