

Mini Mais Plus Que Cela Je Ne Peux Pas

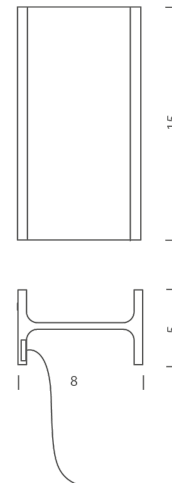

by Rudy Ricciotti

LED table lamp with a raw industrial aesthetic created by renowned French designer Rudy Ricciotti for NEMO. Made of steel with patina rust finish for rustic gradient finish, the shape of the lamp is reminiscent of a section of rolled steel joist (RSJ) for a modern appeal. Each lamp is handcrafted in Italy, making each piece unique with subtle finish variations. One side is equipped with an LED strip which produces a warm diffused light. The versatile design of this decorative lamp allows it to be position horizontally or vertically.
