Tao Cluster Pendant

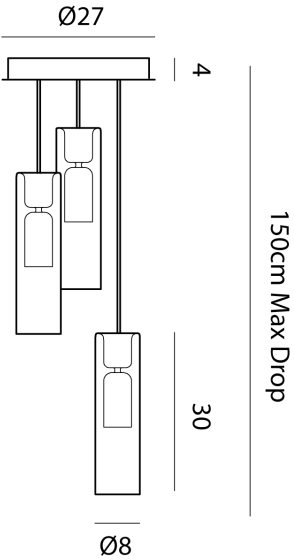

by

A cluster version of Cangini & Tucci's Tao Pendant. A combination cylindrical shaped pendants coated in a metalized finish hang at varying heights from a central base. Turning on the light reveals a frosted glass shape within each pendant, providing a dual effect. Available as 3 or 6 light cluster in small or large size (contact us for availability). Finish options can be selected between pendants, allowing for a variety of colours on a single base.
