Canaletto 30 Light Chandelier

by Marco Pagnoncelli

The Canaletto 30 Light Chandelier from Icone Luce takes inspiration from the past to create a chandelier for modern spaces. A smooth metal frame supports 30 fine glass shades, recalling the aesthetics of art deco era light fixtures. Each shade arm is adjustable, allowing for custom formations. The Canaletto is well suited for feature lighting applications, providing a space with an elegant focal point. Available in painted pewter body with smoked glass diffusers, or brushed brass body with crystal glass diffusers. Manufactured in Italy to the highest quality.
