

Nafir 3 Light Pendant - Pink Gold

by Karim Rashid

Karim Rashid's Nafir Collection of pendant lamps in injection moulded ABS were designed with purity and simplicity in mind. Rashid's inspiration stemmed from considering lights as a complement to sound. The result: a family of lamps titled "Nafir" whose shapes can be organically grouped to create a fantasy panorama comprised of light and shape. Available in several colours and sizes. LED light source with GU10 fitting. Made in Italy.
