

VI S/DIADEMA/C2/CHROME/CRYSTAL

Diadema C2 Chandelier

by Romani Sacconi Architetti Associati

Diadema is based on the single element of the rod in pure glass. Combining reeds of different sizes, the Diadema C2 Chandelier reflects and transmits a feeling of movement, bringing opulence to a space. The metal frame allows numerous variations and plenty of room for customized versions. Design by Romani Sacconi Architetti Associati for Vistosi. Made in Italy.

Product Dimensions
