Mountain View Pendant

by Dima Loginoff

The Mountain View Pendant Light is an enchanting fixture that will become the focal point of any room. Made of transparent blown glass masterfully hand-crafted. The shade consists of two parts: a simple dome encompassing dome with a majestic mountainesque structure located within, evoking visions of mountain ranges. Available in a variety of finishes, the mountain range glistens from all angles just like a real mountain would in the sun via a dedicated LED light source located at the top of the shade. This beautiful, decorative pendant light adds an ethereal effect that is perfect within both residential and commercial spaces. Design by Dima Loginoff for Axolight.
