ILTI PT/PLINT/3000K/BLACK

Plint Floor Spot

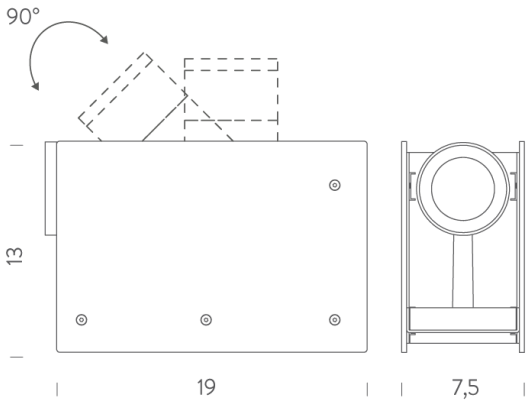

by Massimo Colagrande

The Plint LED floor spot challenges the notions of conventional spotlights with its flexible installation and excellent light quality. The integrated design of the high-performing spot with variable optics (15 to 55 degree beam) in a solid metal structure allow PLINT to be freely positioned for discreet and precise accent lighting. Dimming and a 90 degree orientable head provides a plethora of illumination possibilities, making Plint a versatile and innovative tool for any project. Available in matte black finish.

Designer	Massimo Colagrande
Supplier	Ilti Luce
Country	China
SKU	ILTI PT/PLINT/3000K/BLACK
Version	3000K
