

SLD S/MURANO/30

Murano Pendant

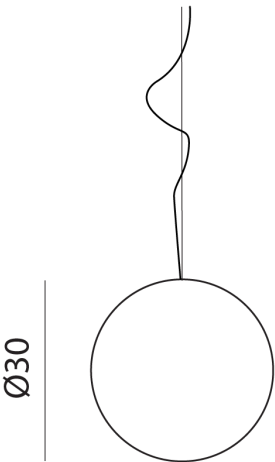

by Slide Studio

Murano is a hanging lamp inspired the ancient tradition of glass making. With a special blend of SAN (styrene-acrylonitrile resin), Murano has the iridescence of glass thanks to a hand flaming process at the end of production. Warm light radiates uniformly through the transparent material. Available in three size options.

Designer	Slide Studio
Supplier	Slide
Country	Italy
SKU	SLD S/MURANO/30
Size	30cm

Product Dimensions

Weight	2kg
IP Rating	IP20

Materials	Styrene-acrylonitrile resin
Dimming	Dependent on globe
