

DT LT/SML/BK/CORAL 400/RED (Bk Adapter)

## Coral Table Lamp

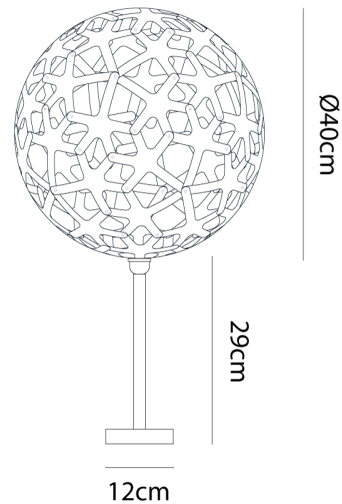

by David Trubridge

Coral is based on one of the geometric polyhedra that have interested David since he was a boy. The intricate form is made from just one single component repeated 60 times. Thanks to a special adapter, the iconic Coral is now available as a table lamp with black or white base option. These smaller lights make excellent accent lamps, casting shadows against nearby walls.
