

DT LT/LRG/WH/FLORAL 400/ORANGE (Wh Adapter)

Floral Table Lamp

by David Trubridge

Floral was designed three years after the Coral light. Like the Coral, the Floral pendant is based on geometric polyhedra forms, but with a softer and more decorative design to the structured Coral. Thanks to a special adapter, the iconic Floral is now available as a table lamp with black or white base option. These smaller lights make excellent accent lamps, casting shadows against nearby walls.
