

DT PT/BK/CORAL 400/BLACK/BLACK (Bk Adapter)

Coral Floor Lamp

by David Trubridge

Coral is based on one of the geometric polyhedra that have interested David since he was a boy. The intricate form is made from just one single component repeated 60 times. Thanks to a special adapter, the iconic Coral is now available as a floor lamp with black or white base option. These lights make excellent accent lamps, casting intricate shadows against nearby walls.
