

DT CORAL 600/RED

Coral Pendant

by David Trubridge

The Coral Pendant Light from David Trubridge is based on one of the geometric polyhedra that have interested David since he was a boy. The intricate form is made from just one single component repeated 60 times. Originally designed purely as an experiment, it only became a light later when David tried to find a use for it by putting a bulb inside. Coral was David's first lighting design which now is considered to be a design classic. The plywood finish can be all natural or painted creating a wide range of finish options. Coral is also available in 5 sizes for a wide variety of applications. Various sizes and colours can be arranged in cluster formations for powerful effect.

Designer	David Trubridge
Supplier	David Trubridge
Country	New Zealand
SKU	DT CORAL 600/RED
Finish	Red
Size	600

Product Dimensions

400 / 600 / 800 / 1000 / 1200 / 1600

Weight	1.4kg	Materials	Bamboo	Source	1 x E27 100W (Max)
Dimming	Dependent on globe	Notes	Flat packed for reduced environmental footprint
