NE A/ZENA/3000K/BLACK

Zena Wall Light

by Roberto Paoli

The clean silhouette of Zena is the result of a rigorous research of geometrical design that leds to the conception of an essential and powerful artefact featuring significant lighting performances. The PLUS version includes a track that can host up to two adjustable spots. Zena represents a revolution in the world of wall lamps, a contemporary experiment that transforms the wall lamp from a traditionally static object into a dynamic and sophisticated element, an important synthesis of lightness, power and comfort. Zena features recyclable aluminium extrusions available matt black. Optional spotlights in the PLUS version (available on request).
