## Posy BIL 6 Pendant

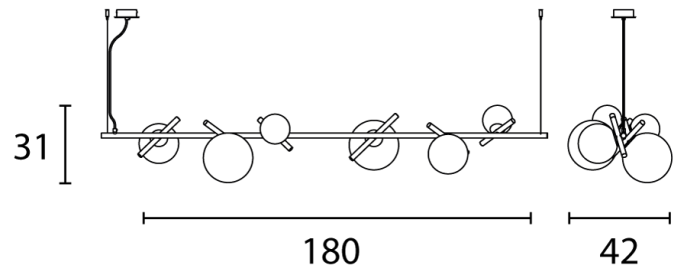

by Sara Moroni

Balance and simplicity were the guiding principals of the Posy pendant collection. Composed of a galvanised metal structure with a triplex opal white Murano glass diffuser. The spheres and stem interact with each other to achieve a natural balance, making Posy ideal for contemporary installations. The larger size of the 6 light version is perfect for feature lighting applications. Available in brushed brass structure with opal white glass finish. Made in Italy by Masiero.
