

DT PT/WH/FLORAL 400 (Wh Adapter)

Floral Floor Lamp

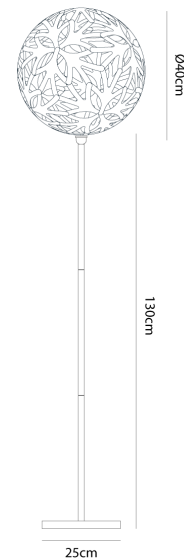

by David Trubridge

Floral was designed three years after the Coral light. Like the Coral, the Floral pendant is based on geometric polyhedra forms, but with a softer and more decorative design to the structured Coral. Thanks to a special adapter, the iconic Floral is now available as a table lamp with black or white base option. These lights make excellent accent lamps, casting intricate shadows against nearby walls.
