DT THE OTHER WAY BOOK

The Other Way

by David Trubridge

The book "The Other Way", in David's own words, is his 'love letter to the land and sea', moving from the blinding white light of Antarctica to the fecund darkness of Aotearoa's fjords. It is drawn from his journals and photographs of trips he has made to some of the wildest places on Earth. But in a world changed radically by the two traumas of Covid and the climate crisis, David also shows us how he has listened to Life more simply: in an Italian village cafe, a Baltic archipelago or, crucially, near his own home in Aotearoa New Zealand. It tells of how he has entered into a deeper connection with nature through an immersion of all the senses, which begins with feet on soil, body in the ocean or breath on a mountaintop. Sold as a Hardcover book designed to feature the exposed spine.
