Walloo Exterior Wall Light

by

Walloo is a minimalist LED wall light for contemporary outdoor applications. Equipped with a double CCT switch inside the body, Walloo can be set to either 3000K (cool warm white) or 4000K (neutral white) on installation. Walloo has an ingress protection rating of IP65 and an impact protection of IK09. With an indirect emission, Walloo can be mounted as a wall light or step light. Aluminium construction with sandy anthracite finish.
