MAS S/DRYLIGHT/S12/WHITE/PREMIUM

Drylight Outdoor Chandelier

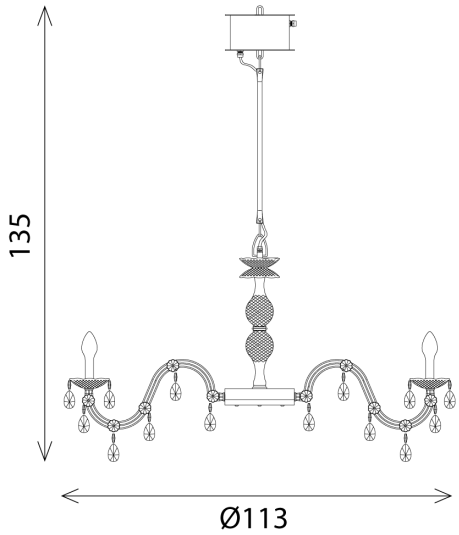

by Masiero Lab

Drylight is a patented lighting collection from Masiero that reproduces the iconic Venetian chandelier for outdoor use. Drylight is the result of years of research carried out by Masiero's R&D department, with each item in the collection featuring an IP66 protection index. They are protected against water, dust, and corrosion; resistant to stress, UV and extreme temperatures (ranging from -30 degrees Celsius to +50 degrees Celsius); and incorporate lightness and modularity for simple installation. The Drylight chandelier is offered in a 'premium' version for use undercover, or an 'extreme' version with added wind resistance for use all year round. The chandelier is available in various sizes with white or a changeable RGB-W LED version with smartphone app or optional remote control. Exclusive to Masiero and made in Italy.

Designer	Masiero Lab
Supplier	Masiero
Country	Italy
SKU	MAS S/DRYLIGHT/S12/WHITE/PREMIUM
Version	Premium
Source	White LED
Size	S12

Product Dimensions

Weight	20kg
Colour Temp	3000K
IP Rating	IP66

Materials	Cut crystal pendants and octagons (recommended for use undercover)
Output	3360lm Total
Dimming	TRIAC

Source	12 x LED, 26W Total
Emission	White
Notes	Premium version is UV and corrosion resistant and can withstand temperatures between -30C to +50C
