

MAS A/RIBBON/A37/MATT BLACK/TRANS

Ribbon Wall Light

by Oriano Favaretto

The Ribbon wall light expresses contemporary minimalism through simple lines and materials. Plate glass panels of varying sizes are arranged on a horizontal plane and encircled by a painted metal "ribbon" for a uniquely sculptural form. The frame houses a dimmable LED source that provides diffused illumination upwards and downwards. Frame available in burnished brass or matte black finish with transparent glass plates. Designed by Oriano Favaretto and made in Italy.

Designer	Oriano Favaretto
Supplier	Masiero
Country	Italy
SKU	MAS A/RIBBON/A37/MATT BLACK/TRANS
Size	A37
