

MAS A/PALM/A21/PELLE 2

Palm Wall Light

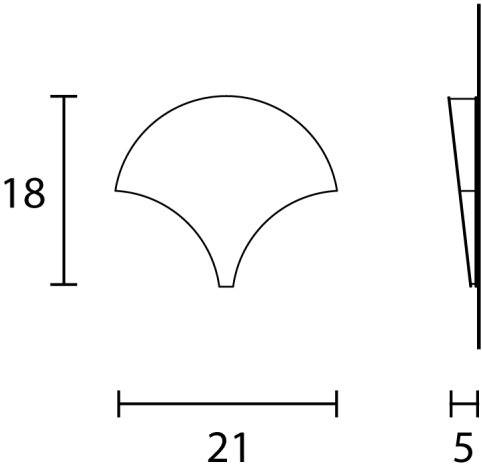

by Letizia Mammini & Valeria Candido

The Palm applique is a modular wall system reminiscent of the overlapping leaves of a palm tree. Palm's modularity makes it highly adaptable for feature lighting applications. Made up of interlocking shapes, Palm is backlit via an LED source for indirect illumination. Available in a variety of finish options and two sizes. Made in Italy.

Designer	Letizia Mammini & Valeria Candido
Supplier	Masiero
Country	Italy
SKU	MAS A/PALM/A21/PELLE 2
Finish	Leather 2
Size	A21

Product Dimensions
