Vegas Oval Chandelier

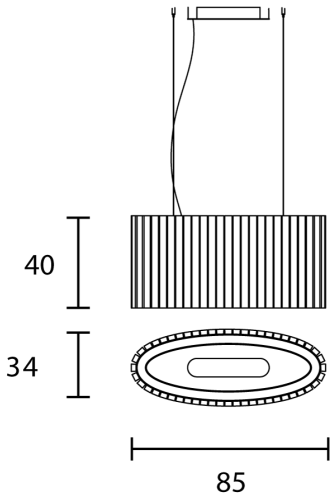

by Marc Sadler

Vegas is loosely inspired by the architecture of Las Vegas, the city that never sleeps. The Vegas oval chandelier expertly incorporates geometric forms, high-quality materials and cutting-edge manufacturing techniques to create a piece that reinterprets classic Art Deco style in a contemporary key. Hand-made glass pendants with rock-like details make up the diffuser, while a champagne-leaf metal frame provides an elegant base housing an in-built LED source. Perfect for feature lighting applications, Vegas is available in a variety of sizes. Designed by Marc Sadler and made in Italy.
