

NE S/TITIA/MINOR/2700K/1-10V/BLACK

Titia Minor Pendant

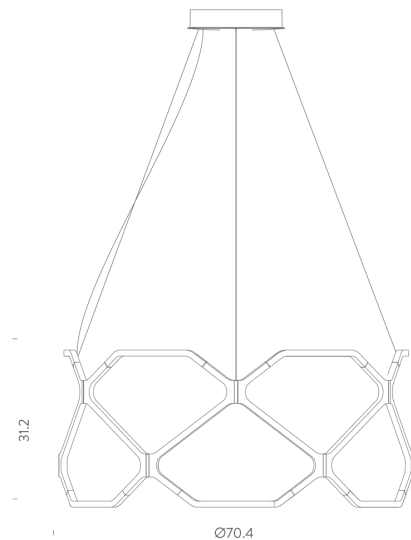

by Arihiro Miyake

The result of a considerable work of engineering, Titia Minor represents a leap into the future in the dematerialization and miniaturization of light sources, becoming part of the structure itself. A unique project in which a vacuum is filled exclusively by the light of the structure. The identical modules in recycled polymer are injection-moulded and equipped with quick couplings, creating a discreet silhouette. Available in matte black finish.

Designer	Arihiro Miyake
Supplier	Nemo
Country	Italy
SKU	NE S/TITIA/MINOR/2700K/1-10V/BLACK
Finish	Black

Product Dimensions

Materials	PC + ABS	Source	65W LED	Colour Temp	2700K
Output	2542lm	CRI	85	Emission	Indirect
Dimming	1-10v	Notes	3m suspension
