NE A/LAMPE DE BUREAU/BLUE MARE

Lampe De Bureau Applique

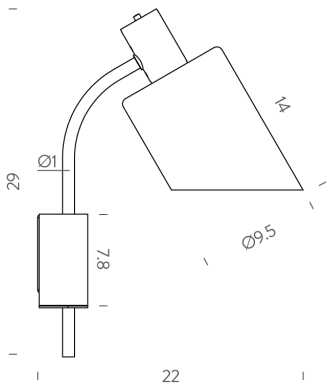

by Charlotte Perriand

Starting from the necessity of illuminating the faces reflected in the mirror of a cabinet designed for the famous French glassworks Boussois, in 1965 Charlotte Perriand designed the wall-mounted version of the Lampe de Bureau. The body features grey tones, while the translucid pressed glass diffuser is available in blue mare. On the inside the white finish preserves the natural colour of the light. For flexible positioning of the light, a 120-degree rotation of the body is provided.
