Sata Pendant

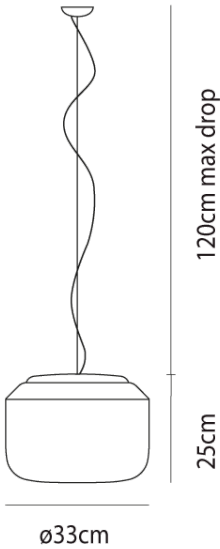

by Favaretto&Partners

Designed by Favaretto&Partners for Vistosi, the Sata Pendant is characterized by a hand blown glass shade accented with a wooden socket cover. The elegant design and materials make the Sata pendant perfect for classic or modern spaces where wood tones are the central motif, or complimentary accent. Available in amber glass with natural wood frame. Sata's design is critically acclaimed, having been awarded a GERMAN DESIGN AWARD for 2019 as well as aGOOD DESIGN AWARD in 2017, a global awards program for design excellence run by the Chicago Athenaeum Museum of Architecture and Design.
