

VI S/POC/35/BK

## Poc Murano Glass Pendant

by Barbara Maggiolo

The Poc is a uniquely made hand-blown Murano glass Pendant. The spherical glass presents an internal membrane that acts as a lens to create the illusion of being made in two halves and adds a sense of dynamic change of intensity and colour at the surface that allows for the uniqueness of each piece. Please note that this colour of the Poc pendant is end-of-line with very limited stock.
