

VI S/DAMASCO/P/WH

Damasco Pendant - White

by Paolo Crepax

The Damasco pendant light collection is created with the 'bozzolo' technique, which entails manually applying 'threads' of molded glass on a re-shaped element in mouth-blown crystal. Expertly hand crafted in Italy. This version of the Damasco pendant features an end of line finish with very limited stock.

Designer	Paolo Crepax
Supplier	Vistosi
Country	Italy
SKU	VI S/DAMASCO/P/WH
Size	Small
