Urban Mini Pendant - 1st Edition

by Dima Loginoff

Mini version of the Urban pendant designed by Dima Loginoff for Axolight. Made from aluminium and available in several colours and sizes. Built-in dimmable LED light source provides a diffused beam via internal reflectors. The minimalist design of the Urban makes it well suited to cluster installations. Available with surface mounted or recessed canopy. This is the first edition Urban which has been superseded by a high-efficiency LCC version (see Urban Mini Suspension Light in catalogue).
