

VI A/JUBE/S/BLACK/AMETHYST

Jube Wall Light

by Favaretto&Partners

A wall light version of the award winning Jube pendant from Vistosi. Jube was born from the union of two mouth blown glasses that, once assembled together, create an overlapping, ton sur ton effect with retro charm. An 8.5W LED source produces a widespread light in a form ideal for adding delicate accents within a space. Available in various finish combinations.
