

MAS S/RIBBON/S50/MATT BLACK/TRANS

Ribbon Square Pendant

by Oriano Favaretto

Perfectly suited to feature lighting applications, the Ribbon square pendant expresses contemporary minimalism through simple lines and materials. Plate glass panels of varying sizes are arranged on a horizontal plane and encircled by a painted metal "ribbon" for a uniquely sculptural form. The frame houses a dimmable LED source that provides diffused illumination upwards and downwards. Frame available in burnished brass or matte black finish with transparent glass plates. Designed by Oriano Favaretto and made in Italy.
