Untitled Mini Linear Wall Lamp

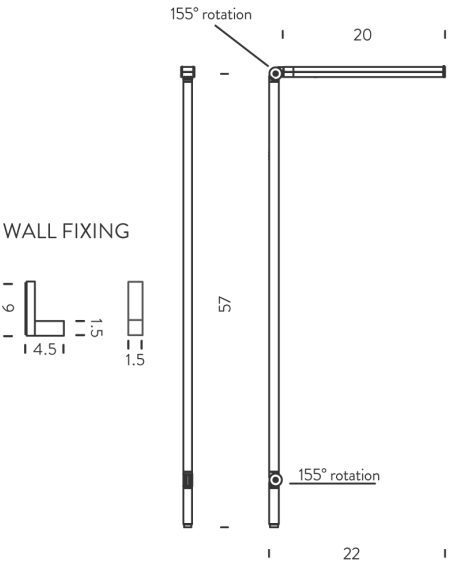

by Bernhard Osann

The Untitled is a family of table, floor and wall LED lamps in extruded matt black painted aluminum with joints for flexible and dynamic positioning of the light source. Designed by Bernhard Osann, Untitled utilises a minimalist design to reduce material input and expose the dynamics of movement, flexibility and balance. The mini linear version features a linear lighting unit in polymer with glass fibers and rotatable head to direct the source. Dimmer on board located on the lamp stem.
